

# Scope & Sequence: *Fishy Tales*

The purpose of this curriculum is to explore the metaphysical teachings found in the movie, *Finding Nemo*. It is about the journey of Marlin, Dory & Nemo . We are all on a Spiritual journey through life and exploring the stories of others often helps us to make sense of our own journey. For Ages 5 to 10

Week	Lesson Title	Lesson Intention	Movie
1	“Life Unexpected”	To explore the choices we have when unexpected adventures show up in our lives.	<i>Finding Nemo</i>
2	“What Was I Thinking”	To understand how strongly our lives are influenced by what we are thinking.	<i>Finding Nemo</i>
3	“Keep On Swimming”	To understand that we must “keep on swimming” even when we encounter something difficult because we know that we are never swimming alone.	<i>Finding Nemo</i>
4	“The Power of Love”	To understand that the power of love is greater than anything else in our lives.	<i>Finding Nemo</i>
5	“The Greatest Gift”	To understand that as we move past our fears, we receive enormous blessings.	<i>Finding Nemo</i>
